

NASA SEWP VI Ordering Guide

Contractor: Ascendant Innovations Corp
Contract Category: Category C — Mission-Focused IT Services
Business Size: Small Business Set-Aside

1. Contract Overview

The NASA Solutions for Enterprise-Wide Procurement (SEWP) VI contract is a premier Government-Wide Acquisition Contract (GWAC) providing federal agencies rapid access to state-of-the-art information technology solutions. Ascendant Innovations Corp serves as an awarded Small Business Prime Contractor under **Category C**, delivering highly secure, mission-critical engineering, cybersecurity, and cloud migration services across civilian and defense agencies.

Contract Parameter	Contractor Details
Prime Contractor	Ascendant Innovations Corp
Contract Number	80TECH26D0110
Vehicle Type	Government-Wide Acquisition Contract (GWAC)
Pool & Status	Category C — Small Business Set-Aside
Surcharge Fee	0.34% (Built directly into quoted rates/prices)

2. Step-by-Step Ordering Process

Federal contracting personnel can acquire services from Ascendant Innovations Corp through the streamlined SEWP procurement process:

- **Step 1: Define Requirements.** Prepare your Performance Work Statement (PWS), Statement of Work (SOW), or Statement of Objectives (SOO) indicating the desired Category C mission IT outcomes.
- **Step 2: Access the SEWP Tool.** Log in securely to the official NASA SEWP Quote Request Tool (QRT) using your federal credentials.
- **Step 3: Select Category C Small Business Pool.** Structure your RFQ or RFI within Category C, making sure to select or search for **Ascendant Innovations Corp**.
- **Step 4: Issue RFQ.** Submit your solicitation via the tool. The SEWP PMO automatically verifies scope compatibility and routes your requirements to our team.
- **Step 5: Review and Award.** Evaluate the compliant technical and price proposals returned by Ascendant Innovations Corp and issue the final task order directly through your agency's procurement platform.

3. Fair Opportunity Guidance

As a Category C Small Business contractor, Ascendant Innovations Corp falls under standard FAR 16.505(b) Fair Opportunity rules. Contracting officers can easily set aside requirements specifically for the Small Business pool within Category C, completely satisfying agency socioeconomic goals while fostering strong competitive performance.

4. Program Management Office (PMO) Contact

For pre-solicitation scope reviews, technical consultation, or capability briefings, reach out to our dedicated SEWP VI PMO:
